ORDER

The Court has received a letter from counsel for Appellant Official Committee of Unsecured Creditors (“Committee”), which, counsel indicates, has also been addressed to counsel for Appellee Propex Inc. and the secured lenders involved in this case. The letter asks the Court to set an oral argument date earlier than the currently-set date of January 14, 2009 (Court File No. 21). If the Committee wishes to have an earlier oral argument date, it must refile the letter as a motion with this Court, thus giving Propex an opportunity to respond.

Accordingly, the Court **ORDERS** the Committee to refile its letter as a motion with the Court. The Committee must refile no later than **December 1, 2008**. If Propex opposes the motion, it must respond within five (5) days of the motion’s filing.

SO ORDERED.
